Re: Johns Hopkins Bayview Medical Center
CON Application for a New Inpatient Building

To whom it may concern:

Array Architects is the architectural healthcare planning and design firm that is designing the proposed new inpatient building at the Johns Hopkins Hospital Bayview Medical Center in Baltimore, Maryland.

I am confirming that the architectural design of the operating rooms suite at the proposed facility complies with Section 2.2 of the 2014 version of the FGI Guidelines.

If you have any questions, you may contact me directly at 301-943-5367.

Regards,

Adrian Hagerty, AIA, LEED AP
